

Trail Life Troop KS-1199  
Essential Gear

We do our best to limit any specialized equipment upon joining the Troop, however at each program level there are a few basic elements that are needed for a successful experience. Also, we highly recommend adding your name to your gear!

**Woodlands Trail**

Essentials	Optionals
Tent (2-3 person preferred; larger ok)	Hiking boots (used is great for value)
Sleeping bag ( 2 or 3 season ~30 degree rating; typically use cabins in Winter / Summer)	BB gun
Mess kit	Headlamp
Flashlight	Air mattress / cot
Water bottle	

**Navigators / Adventurers**

Essentials	Optionals
Tent (1-3 person will work for most camping events; see optional notes for backpacking)	Air mattress / cot
Sleeping bag ( need 2 to cover both fall/spring ~30 degree and winter seasons ~0 degree; outside camping in winter)	Water reservoir (for backpack)
Mess kit	Backpack for hiking trips (large / 50 liters or more; can hold all gear including tent/sleeping pad/etc)
Flashlight	Backpacking tent (focus on being lightweight)
Headlamp	Hammock (sleeping/resting)
Hiking boots	Go bag (small / 10-15 liters / flexible bag; used for day activities away from campsite; essential items only)
Backpack (30 liters / medium; this holds gear and clothes for overnight)	
Water bottle	
Sleeping mat (this definitely makes sleeping more comfortable and is flexible for both car camping and backpack camping)
